## Road Safety Week

02/10-06/10

The Children in all the rooms will be learning about Road Safety this week. The RSA have agreed to send us books, DVD's on road safety and supply us with some Hi -Viz

vests. We would ask all parents to work with us to encourage their children to be aware of the dangers when crossing the road.

## Welcome

*We welcome all the new children to the Wobbler Room as well as the new Team Leader in their room - Neasa Wogan. Welcome also to Jenny Cantwell, the Team Leader in Toddler Room, and Claire Grimes, our afternoon Administrative Assistant on the front desk.*

We had a visit on 02/10/2017 from 2 little piggies! They stayed for a couple of hours outside in their pen. The children enjoyed their visit enormously and were able to observe and pet them.

We invite any parents who have an interest/ job on which they would like to share information with the children, to come and speak to us

as we encourage all parents and families to participate in the children's learning. Toddlers and Fireflies are learning about healthy eating and good hygiene at the moment. Fireflies have an excellent display upstairs on the sugar content of the food and drinks in your child's lunchbox. We think you will find project very interesting and informative.

## Dates for your Diary

...

The Service will be closed for the Bank Holiday on 30/10/17.

The ECCE Rooms will be closed as per calendar from 30/10/17 to 03/11/17 inclusive.

We will have a "Witches Walk" on Friday the 27th of October for Senior Creche and the ECCE Rooms. All other rooms are welcome to dress up as they too will be participating in Halloween party games.

We welcome any parents who could supervise the walk with us as we rely on your support to go 'off site' with the children. If you are available on the day please give your name to the Leader in your child's room.
