Winter Weather

Suitable Clothing

Now that winter is upon us we would request that all children have suitable warm clothing for outdoor play. Clearly label all items such as hats and scarfs and coats. The

Wobbler & Toddler rooms would appreciate if parents could supply them with wellie boots so that the children can enjoy outdoor play whatever the weather.

Benefits of Outdoor Play

The benefits of outdoor play cannot be underestimated. Children in daycare especially need outdoor play for their physical development and to halt the spread of infection. Tusla recommend children in daycare have at least 2 sessions of outdoor play per day, regardless of the weather.

Partnership with parents/Linking with the Community

We would like to thank all parents and families that turned out for our witches walk. The children would not be able to enjoy these experiences with your assistance. We really appreciate you giving of your time.
