### Some Quick Notes

#### Sun cream Policy

With the arrival of the sunshine we would like to remind parents that sun cream must be applied to **all** children prior to attending creche, and also to supply a sun hat.

Parents of full day children need to supply the service with a bottle of sun cream clearly labelled with the child's name for application throughout the day.

#### Collection Policy

As per Askea CCC policy, only those named on the collection authorisation list will be permitted to collect a child.

Please inform reception of any changes to this list to avoid any difficulties at home times.

### Themes and Activities

Veronica and Sara are currently carrying out the **'Fun Friends Programme'**.

This has been developed by world renowned child psychologist Dr Paula Barrett designed for 4 to 7 year old children to build emotional resilience and social skills that will stay with young children for life.

Askea CCC is also participating in the **'Healthy Ireland Smart Start'** programme.

This involves educating children and parents on the benefits of a healthy lifestyle.
